

Meeting the physical and spiritual needs of God's people everywhere.

INTERNATIONAL MEDICAL MISSION

GHANA MEDICAL CENTER RECEIVES HIGH PRAISE!

Ron Cleveland, Tapestry Partners International member and project founder, joined a high powered delegation of officials and Executives from CHAG, WHO, Pharmaccess, Safeguard Assessors and Med4All, who came to Nzema Baptist Hospital for monitoring and inspection. The group had high praise for the hospital management and the Ghana Baptist Health Services. The medical center was classified as being among the best run, best managed and most beautiful and decent CHAG facilities in Ghana. The group encouraged the team to aspire to becoming a Centre of Excellence and Medical Tourism hub in the West African subregion and beyond. Tapestry International Medical Mission was recognized for their role as one of the main funding agencies in the construction of the hospital project.

(Construction of the inpatient unit was completed in the fall of 2023 and was opened with a celebration and dedication ceremony on December 7).

Did you know? The Ghana Medical Center is part of a larger initiative to provide expanded more comprehensive support to the Nzema people.

CLEVELAND SERVICE MISSION

Focus on recovery

The holidays were made a little brighter as volunteers extended their on-going outreach efforts to several local recovery homes by providing warm clothing, ongoing building maintenance, donations of hygiene and food supplies as well as Christmas decorations.

Partnerships bring hope

Continued partnerships with local Churches and organizations has provided Cleveland Services Mission with the opportunity to reach others through Disaster Relief efforts, strip club ministry and personal witness opportunities.

Cleveland Services Mission team members contributed a total of **1,098** volunteer hours in 2023.

Did you know? Cleveland Service Mission teams have been called to devastated areas from Louisiana to New York. They will mobilize a crew for whatever project God requests.
